+ ADD PERSON

This is where you can start adding your family members.

PLEASE NOTE: If you are attending camp as part of a group rather than as an individual, please follow the steps below. To register with a group, you will need a **Registration Code**. A **Sponsorship Code** is only required if church is paying some or all of the registration fee. Both of these codes will be provided by your group leader or Youth Pastor.

NEW REGISTRATION INFO

The screenshot shows two steps of the registration process. The first step, 'Select Sessions', includes a 'FILTERS' button circled in orange and a message: 'I belong to a group that has reserved space'. A handwritten note in orange says: 'If coming with a group, click here to enter your group registration code from your Youth Leader.' An orange arrow points from this note to the 'Select Your Group' step. The second step, 'Select Your Group', has a text input field for 'Input your group registration code:' and a 'NEXT' button.

If your church is covering any portion of your camper's registration, select "Add a gift certificate or promotional code" and enter the sponsorship code provided by your Youth Leader.

The screenshot shows the 'My Cart' page with a 'PROCEED TO PAYMENT' button. Below it, there is a section for 'Add additional reservations' and 'Add a gift certificate or promotional code'. The input field for the code is circled in orange, with a handwritten note in orange: 'Enter your sponsorship code here.' Below the cart items, the total is listed as '\$ 285.00'.

5. REACH OUT IF YOU HAVE ANY QUESTIONS

We want to make registering as easy as possible! If you have any questions or run into any issues while setting up your reservation, please don't hesitate to reach out. We hope this new system helps make your camp experience even better. We can't wait to see you this summer!
